

# Benefits of the Epassi Card.

- Works at all restaurants and cafés that accept VISA.
- Works to pay in grocery stores, both physical and online.
- The card works just as well in Sweden as abroad.
- The balance on the card has no expiration date. If there is money on the card it can be used forever.
- Works with contactless payments.
- Mobile payments through Apple Pay and Google Pay.
- No matter where the card is used in the EU, no fees are charged.\*
- The Epassi card app provides quick information about the current balance, transactions and the ability to change PIN and contact our customer support.

\*A transaction fee may be charged outside of Sweden..
